Preparations for 2015

Dear parents and carers

School planning for 2015 is well underway. It is a requirement of the Department of Education and Communities (DEC) that schools have written notice of student intention to re-enrol at the school each year. Knowing who is likely to be at school next year is also invaluable to us in planning for classes, teachers and other programs.

In order for our planning to be as accurate as possible we would appreciate you completing the information below for every child of school age in your family, regardless of whether they will be attending Minchinbury PS in 2015. The closing date for the return of information is Friday 7 November 2014.

Thank you for your ongoing support.
